# Foreword

In the years to come, when other experiences encroach upon the memories of "those good old college days," the 1956 Bethanian will serve to remind us of many happy times, warm friendships, and helpful professors. Each has played an important part in shaping our lives through four short years at Bethany—"On the Banks of the Old Buffalo."

## *Dedication*

DR. DANIEL SOMMER ROBINSON  
Professor of Philosophy

His friendly and unassuming manner has won for Dr. Robinson the admiration and affection of the students, the faculty, and all the college community. We are grateful for the honor he has brought to Bethany and for the inspiration he has given in his classes. Most of all we are grateful for the compliment he has paid us by becoming so much a part of our Alma Mater. This Bethanian is dedicated by the class of 1956 to Dr. Robinson as a great teacher, a respected scholar, and a sincere friend.

The "Tradition Class of 1959," having survived hazing are fast making their mark on the Bethany campus. The dance sponsored by the class was one of the social highlights of the year. The 180 students in the class chose Louis Fuchs to lead them as president. Great things are expected from this group as they progress through their college days.

Rush season is always the most hectic time for these girls. They have the big job of planning the Pan-Hell Teas, keeping rushing as fair as possible, and meeting with the freshman women to explain the rules and regulations. However, this is not their only jobs. All arrangements for the combined "Help Week" are made by this group. A constant review of the rush program is undertaken each year to improve our existing system. Mary Carr served as president.

# *Inter-Fraternity Council*

These representatives from each of Bethany's five fraternities decide rush policies and take action when violations occur. Not only do they act as a governing body, but they also plan the biggest social function of the year—the IFC Ball. This year under the leadership of Stan Wilson, the annual event was held out at Oglebay, and was the most successful and best attended formal of the year.

# Alpha Xi Delta

In the early part of the school year the actives honored their nineteen new pledges by treating them to dinner in Wheeling. Some of the more important activities included the Black and White Pledge Dance, the Annual Christmas Party for the first graders at Bethany, the traditional dinner-dance, Open House, and Spring Serenade. With seven members in positions of leadership on campus, Delta chapter does not lack in campus honors nor beauty queens or court members. The president for this year was Sylvia Kundig.

The best description of activities at Point Breeze is, "never a dull moment." Beta Gamma, presided over by Ed Goosman, started early in the fall with parties for the sororities, faculty smokers, and by participating in a variety show for freshman. The newly acquired pledges were not to be outdone and held a "Ranch Pledge Dance" and party at the Rose Room in Wheeling. The annual Sweetheart and Winter Breeze Formals kept the boys hopping. They also had the honor of winning the W. Va. State Alpha Sigma Phi basketball championship and of nominating the winning IFC Queen.

Drawing still another year closer towards the distinguished mark of one-hundred years on Bethany's campus, Psi, of Beta Theta Pi continued to lead in its efforts to achieve a well-rounded, high intellectual social plane among its members. The scholarship cup was retaken, and the Dawn Dance was one of the most successful ever. The house was opened for informal parties this fall which was something new. The Founder's Day Step Sing, and Spring Formal are other high points to remember. Tom Hawk was president, succeeded in January by Richard Snyder.

# Zeta Tau Alpha

Theta chapter, under the leadership of president Aileen Booth, started its second half-century on campus. They were represented by Shirley Sloas on the homecoming court, took first honor for their float, and saw Steffanie Jones elected as the first female member of the Moo's. During the year, the chapter was represented by Ann Cochran as editor-in-chief of the Tower, Pat Kirk, who was president of the A. W. S., and Shirley Sloas, president of W. A. A.

## *Kappa Alpha*

The Knights of old KA, under the expert direction of Malcolm Campbell, completed another successful year. Informal parties for freshman girls highlighted the fall activities. The Dixie Ball and Convivium Banquet, both annual events, proved to be the year's best for these "Southern Gentlemen." Other important functions included a Christmas party, an annual open house, and serenades. These serenades are real treats since a large number of the group belong to the Male Chorus.

## *Kappa Delta*

This year found the girls at Shady Lawn with their president, Janet Noll, as busy as ever practicing for serenades, planning for their spring formal, polishing the scholarship cup the first semester, and keeping up with campus activities. Homecoming Queen, Sara Hawk, brought royalty to the KD's. The pledges displayed their talents and ambition by giving an "Alice in Wonderland" slumber party and fixing the front walk as their pledge project.

*ooOh, men!*

# *Sigma Nu*

Sigma Nu enjoyed another highly successful year. Besides such traditional events as the Bowery Brawl, Pledge Dance, White Rose Formal, and Father's Day Weekend, there were numerous other informal parties and sweater dances. The Sigs were well represented on all varsity athletic teams, and the summer of 1955 saw Bruce Robeson win the West Virginia SIC tennis singles championship, joining another chapter member, Elmo Baker, who set a new SIC track record in the 220 yard dash the previous year. Skip Bushon was Commander, succeeded by S. Michael John.

# Phi Kappa Tau

The Phi Taus were well represented in all sports, particularly on the gridiron. Jack Mox co-captained the football team, and many other members were in the starting line up with him. In intramurals the Phi's were successful in capturing the football trophy. Gerry Fredericksen, president, led the chapter through a very successful year. On campus Phil Wagner was Junior class president, and Bill Ramsey served as College Social Chairman, bringing more honor to the chapter. Socially, the highlights were the annual Christmas Formal and the Novelty Dance in the spring.

The Phi Mu's led by Mary Carr, started the 1955-1956 year with the initiation of three new members. A gypsy party and Southern Garden Party were the themes for their rush parties, and on October 29 eleven new girls were pledged. During the Christmas season a party was held for the patrons and the Solvinjow family. To make life even more hectic at this busy time, the Phi Mu's entertained with a serenade. The Hoedown, open house, Spring Formal, and attending church as a group for founders day made up the other outstanding activities.

The class of '58 are back once again having passed through their first year as lowly freshmen with flying colors. The students chose Jim Reebe as president. Remembering the hardships they suffered in the previous year, the members of the sophomore class did their best to make sure the new freshmen were put through the ropes also.

# Kalon

Kalon at Bethany is an honor society which gives recognition to leadership in student activities. The standards are very high and to become a member one must have demonstrated competence in leadership, constructive citizenship, and high standards of personal character. Members are selected by joint approval of the faculty and Kalon members.

# Gamma Sigma Kappa

Gamma Sigma Kappa is Bethany's honorary scholastic fraternity. Students who maintain a scholarship index of 3.25 or better for four consecutive semesters and during that time never go below a 3 point are eligible for membership. Students are recommended by the faculty committee on honors and those who have achieved these requirements are tapped at the honors assembly.

The Psychology Club has this year been reestablished after a two year lapse. It has been revived to promote a greater interest in psychology, to explore its limitations more deeply, and to discover the many vocational possibilities in this field. Ruth Cacchio is the president.

## *Who's Who Among Students in American Universities and Colleges*

Students who are elected to this national honorary are nominated from approximately 650 colleges and universities. Campus nominating committees are instructed to consider, in making their selections, the student's scholarship; his participation and leadership in academic and extracurricular activities; his citizenship and service to the school; his promise of future usefulness.

# Student Board of Governors

The S.B.O.G., as it is known to the students, is the most important organization on campus. It is the student government and is made up of representatives from each fraternity, sorority, and independent men and women's organization. They are responsible for the allocation of money to various campus groups and are in charge of coordinating faculty and student thought. At the present time they are trying to obtain a Thanksgiving vacation for the students. Paul Nielsen did a fine job as this year's president.

Later on in the year more time is devoted to wind ensemble music which is played in chapel.

## *Chapel Choir*

Father Kerwin from Wheeling discusses with the members the latest doctrines of Catholicism and how the Catholic students are affected by them. Judy Eckerson was chosen to lead the organization in its affairs this year.

# Tower Staff

"The Voice of West Virginia's oldest college" deserves much more credit than it usually receives. It represents the students and is run by them with no faculty interference. The Tower has for the second year in a row honored Bethany by being awarded a first class rating in the Associated Collegiate Press. This is a real accomplishment for which we should be justly proud.

The object and purpose of this group is obvious. Much time, thought, patience, and hard work has gone into these pages, and we hope we have captured the many things about Bethany that will recall pleasant memories in the years to come. There may be a few sad memories as well, but for the most part we feel that the 1956 Bethanian represents the true spirit found on this campus.

## Classes

Classes. Although many students grimace at the thought of this word, they must admit that Bethany provides a relatively pleasing atmosphere for the pursuit of knowledge. The students who ascend "the hill" daily for their classes meet amidst the gargoyles and arched windows which characterize Old Main. It is an old building, and most of its classrooms and classes are small, allowing the students to participate freely in discussions. Practical experience is an important part of many departments and enables the student to gain confidence in his chosen field.

# Homecoming

The gala homecoming celebration this year was highlighted by a victory for the football team, the reigning of Miss Sara Hawk as queen, and the induction of Steffanie Jones into the Moo Moo Moo's. The weather was perfect and the annual parade of floats had its usual impressiveness. The Zeta Tau Alpha and Beta Theta Pi floats were judged best. The evening's activities featured a variety show at which alumni and students participated in the entertainment. The day was brought to a close with the Sodbusters Ball at Phillips Hall.

Christian Living Emphasis Week, more commonly called CLEW, had for its theme "What God Hath Joined . . ." It was observed on campus from December 4th through the 7th. Students were privileged to hear men of the clergy from the Catholic, Protestant, and Jewish religions speak concerning their faiths. A prominent physician was also among those dignitaries present.

## *"The Whole Town's Talking"*

The first of two plays for this year was presented on December 1st and 2nd. "The Whole Town's Talking," a comedy, was directed by Dr. Clyde Yarbrough of the Fine Arts Department. There were four starring and eight supporting roles with the leads being handled by Peggy Campbell, Malcolm Campbell, Steffanie Jones, and Doug Richmond. The second play planned is to be of a more serious and dramatic nature.

# The Faculty Play

When all is said and done, one of the most enjoyable times at Bethany is the night before Christmas vacation officially begins. Not only because a holiday is in sight, but most of the work is at an end, and because the faculty is putting on one of the funniest events of the year—the Faculty Play. Just to see some of them let their hair down for a few moments is more hilarious than anything they could say. It is a time when the students can really say, “they’re human too”.

## Founder's Day

The day March 2, 1840, holds a prominent position in the history of Bethany College. Annually, on a date as near March 2 as possible, Founder's Day is held. This year, Dr. Arthur Meyer Schlesinger Jr. made an address on "The Age of Campbell" to the students, faculty, and guests assembled in Commencement Hall. A new fund furnished by the late Oreon E. Scott will provide for future Founder's Day speakers, as it did for Dr. Schlesinger.

## *Ohio Valley Hospital Nurses*

The Ohio Valley Hospital in Steubenville, Ohio, is not only a fine hospital but serves also as a center for the education of young women and men who wish to prepare themselves as team members in the field of the healing arts. We, the thirty young women who entered the School of Nursing of this hospital in September, 1954, were pioneers, in that we were going to attend college while studying nursing. We felt exclusive as we got aboard our chartered bus which carried us to Bethany twice a week. At Bethany, we took courses in Chemistry, Anatomy & Physiology, Microbiology, and Psychology. The campus enthralled us and we were much impressed by the corridors of Ogleby Hall.

We absorbed as much basic science as we could and tried to use it as a background for studying our many other subjects, some of which are Nursing Arts, Nutrition, Pharmacology, Sociology, and special Nursing subjects. We regret that we had very little time to become acquainted with the Bethany students. We feel that this year's class will help build stronger bonds and that in time the joint nursing education program of the Ohio Valley Hospital School of Nursing and Bethany College will become a tradition.

## Football

The 1955 Bethany gridders turned in the best won and lost record in the school's history, losing only to Thiel in seven starts, while rolling up 258 points to the opposition's 58. Throughout the season the Bisons showed a powerful offense and a new spirit of determination.

Freshman end Andy Urbanik was the only

new face in an otherwise veteran line, composed of Jack Mox, Lee Irvine and Harry Caldwell, "Tiger" Ed Joyce and "Bull" Fredericksen, with Ron Whitt at center. Les Sechler, Bud Phillips, Tony Rackie, and Gerald Duffee also saw considerable action as part of the Big Green forward wall.

It was in the backfield, where a major rebuilding job was thought to be necessary, that the big surprise came about. Max Homer stepped capably into the quarterback spot, Dick Lash and Gary Gaydick were the half-backs, and "Fuzzy" Karr returned to his familiar fullback slot. This foursome accounted for over forty touchdowns in the course of the season.

The Bisons opened at home by topping West Virginia Wesleyan 28 to 6, with Lash scoring three times. Traveling to Davis and Elkins the following week the Big Green ripped the Senators 45 to 0.

Homer was the offensive standout of the day and Caldwell led the spirited line play. Hiram's Terriers, thought to be a big threat to an all-winning season, were overwhelmed by a 61 to 0 score. Allegheny and Marietta fell before the Green onslaught by identical 27 to 13 scores, both games being tough contests until the closing minutes. With five wins under their belt Bethany traveled to Greenville to meet a highly regarded Thiel team and came away on the short end of a 20 to 14 count.

Though it was naturally a big disappointment for the men, they did not lose heart as they came back strong the following week to whip Grove City 33 to 12, and establish themselves as the best Bethany football team in history.

Though the Bisons had their individual stars it was teamwork and spirit that made them a winner. Fullback "Fuzzy" Karr closed out four years of varsity play by being named to the All-District team. Max Homer and "Bull" Fredericksen were named to the second team. As a fitting climax to the successful season the team and coaching staff were honored at a banquet, highlighted by the presentation of a trophy from Sammy Baugh by Wayne Millner.

After a slow start losing eight consecutive games, Bethany finally clicked to win their first at Fairmont St. 85-77. With the aid of Bob Goin second semester freshman and Augie Losso returning from absence during first semester, they rolled to win 7 of the remaining 15 games.

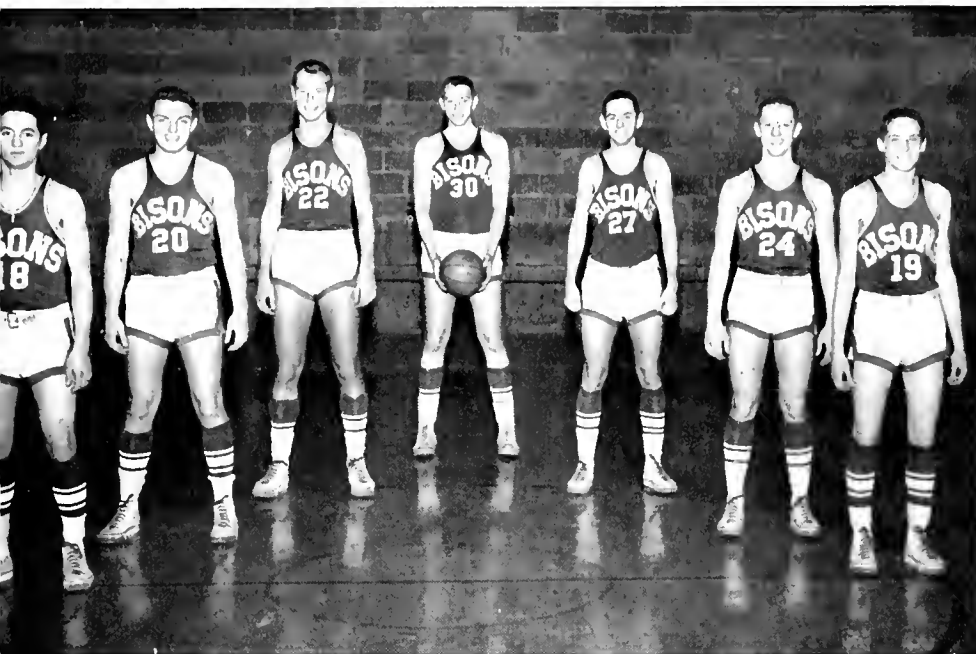

Rudy Yaksich proved last year's pre-season predictions by scoring a total of 609 points this season and compiling an average of 25.1 points per game. Johnson also was one of the leading rebounders with an average of 15 per game which was good enough to place him fifth in the conference.

The season's highlight was undoubtedly the game with Westminster. Bethany which led through most of the game, baffled Westminster with an all court press. The Titans seemed to lose all composure, making bad passes and hurrying their shots. Bethany's lead at the half was whittled down as Westminster's depth in reserves proved too strong. Hard, continuous driving finally cracked Bethany's defense. With just about

10 minutes left the Titans dunked baskets rapidly to give them a 7 point lead at the final buzzer—the score, 102-95.

# Tennis

The 1955 Bison tennis team compiled the finest record in inter-collegiate tennis history at Bethany. The squad climaxed an 11 win 2 loss season by winning Bethany's first West Virginia State Intercollegiate team championship and Captain Bruce Robeson took the State Intercollegiate Singles title.

First Row, Left to Right: N. Lebhar, R. Syme, L. Leonetti, J. Davis, K. Teramoto. Second Row: Mr. W. Peterson, J. Breen, B. Robeson, I. Goldwasser, S. Jones, B. Stanhagen, S. Rozan.

Bob and Bruce provide the Bisons with strong doubles.

Four letter men are back from 1955 and with replacements including Norm Lebhar, Les Leonetti and Ira Goldwasser showing well, the 1956 squad should be strong and balanced. The '56 schedule lists 15 matches, with Pitt, Case and Muskingum added to last year's opponents.

Coach Peterson and Captain Robeson tell about Florida training.

# Baseball

Coach Knight started the season with almost a whole new roster of recruits. The boys have been working hard, and he expects them to constantly improve as the season progresses. Veteran pitcher Dick Blakely has returned along with Lash and LeMatty who are in the outfield. Also back from last year's team are infielders Hays, Sechler, and Homer. Among the rookies whom Coach Knight expects great things from are catchers Schriver, Cocco, Goin, and McBeth; Huffman, an outfielder, Otey and Ridenauer, pitchers; and Carneval, Urbanic, and Yarussi, infielders. The crop is made up predominantly of underclassmen which is good building material for the coming years.

# Track

Looking toward another successful season, the Bison thin-clads have returned to the cinders for their yearly calisthenics. Sporting the green and white the Bethany men will encounter their annual opponents in the form of W.V.U., Slippery Rock, W. and J., and others.

Under the watchful eye of Coach T. J. Hill, returning lettermen and new cindermen have been in earnest training for the season; and the "big one", the W.V.I.A.C. Lettermen John DePew, Bill Fields, and Don Neubert in the distances, Sheldon Downes in the 440, and Elmo Baker in the dashes form a strong foundation for the team. Baker is the holder of the West Virginia 220 yard dash record. Although weak in the field events, the big green will hold their own again this year.

## Swim Team

Embarking on its first season of intercollegiate swimming competition, Bethany built a team that should make quite a splash in Ohio Valley swimming circles next year. Under the guidance of Dean Robert Preston, Tony Furman, and Judy Dressler, the strong, young team practiced hard and gave Fairmont a good race in the Bisons' initial contest.

Left to Right: J. Vinci, D. Evans, R. Golomb, L. Phillips, F. Payne.

## Golf Team

Coach and sponsor Dr. Lester McAllister had three veterans returning from Bethany's first golf team which was formed last year. Enthusiasm and prospects were bright as the season opened. Captain Lee Phillips was backed by sophomores Joe Vinci, Bob Campbell, and Frank Payne and freshman Bob Golomb. The team played a seven match schedule and participated in the state tournament played at Oglebay, home course for the Bisons.

## *Intramurals*

Boys and girls both have an opportunity to take part in some type of athletics here at Bethany. Fraternity spirit makes competition to win quite keen, and puts added vim into games which otherwise might be boring. The Phi Tau's are the undisputed winners of both the basketball and football contests. The Zeta's captured first place in basketball and the Alpha Xi's in volleyball.

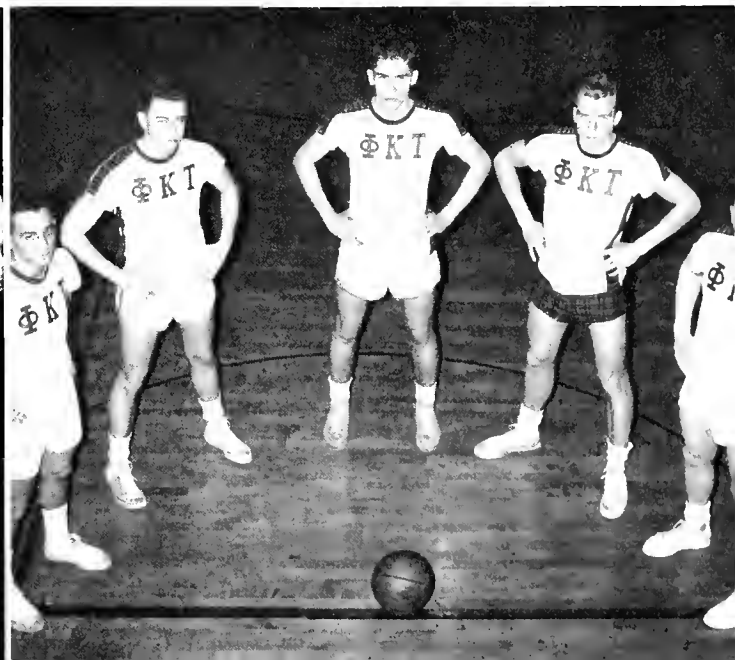

*Pre-game practice*

## Cheerleaders

The cheerleaders deserve the praise and gratitude of the student body for their ability and untiring effort. Cheering the team on to victories and through defeats, they did much for the college spirit. They could always be found at the games leading the not always enthusiastic students in school yells. This group of girls and their captain, Jane Charlton, truly deserve a vote of thanks by all.

# Moo Moo Moo

The Moo Moo Moo's led this year by Hank Prehodka, their big bull, have added much color to the home football and basketball games. While enhancing the humor of the games with their mimicry and gymnastic stunts, they have also done a great deal towards raising school spirit. These boys certainly deserve a lot of credit for their untiring efforts.

First Row, Left to Right: S. Jones, B. Mazzie, T. Hawk, W. Lucas, N. Lentino. Second Row: R. Blakeley, E. Johnson, P. Wagner, D. Morrison, R. Addis, H. Prehodka.

It was a cold wintry day, but the Moo's cheered on.

# We offer to the graduates of 1956 . . . . .

We sincerely give our best wishes to the class of 1956. Churches and church schools everywhere are eagerly awaiting your services and fresh vigorous ideas. And, we know you will meet this challenge and be proud of the foundation Bethany has laid for the learning you will continue throughout your life.

As you go out to preach or to teach, we hope you will turn to your cooperative brotherhood publishing house, the Christian Board of Publication, for the up-to-the-minute religious materials to meet your personal needs and complete teaching aids and supplies for your church and church school. Remember, the Christian Board of Publication is the only publishing house dedicated solely to prepare lesson materials and educational aids which meet the doctrinal emphases of the Christian churches. You will also find it your most dependable source of religious books from all leading publishers and for church equipment and supplies.

allegiance to the flag  
of the United States  
of America and to  
the Republic for which  
it stands, one nation,  
under God,  
indivisible, with Liberty  
and Justice for all"

The words "UNDER GOD" were added to the Pledge of Allegiance to the Flag by joint Congressional Resolution, in June 1954. Said President Eisenhower: "From this day forward, the millions of our school children will daily proclaim in every city and town, every village and rural school house, the dedication of our nation and our people to the Almighty . . ." The Pledge of Allegiance was originally written in 1892 by the Rev. Francis Bellamy of Rome, N.Y. He was then an editor of the magazine "The Youth's Companion."

## It pays to be at the center of things

The many services that a bank performs require the talents of a surprising variety of personnel, aside from those with the obviously logical background of financial training. Your education may very well be the perfect background for one of the more than 20 well-paying positions in a bank.

One of every five and a half banking employees is an officer. A greater portion of graduates who pursue a banking career attain the \$7500 to \$10,000 per year bracket than those in any other business. These statistics apply in many cases to both men and women in banking, since 10% of banking officials are women.

Banking is out ahead of most other fields in the important matter of fringe benefits. The average bank employee receives an additional \$24 in fringe benefits for every \$100 in salary.

A career in banking offers the opportunity to further your education if you so desire. Many banks offer free courses in money, credit, banking, economics, and other allied subjects.

Banking is a profession of prestige and respect. Few fields offer the college graduate such opportunities. Look ahead, weighing your talents and ambitions, and then answer this question:

What about a banking career... for you?
